About Us

Creating designer fashion accessories by the finest Indian horologists & artisans with decades of experience, we manufacture watches & leather/vegan leather accessories with superior quality material, handpicked by our in-house designers, providing a tremendous amount of variety in textures, a concoction of materials, colours & design elements. With over 1000+ novel designs, we make it possible to customize our client's perspectives to their requirements. We are known for providing a large variety of products of good quality, optimum pricing, and robust sale service to ensure maximum end-user satisfaction through our hassle-free warranty process. We also provide varied O.E.M., customization and personalisation solutions to our partners.

Elliot was launched in India in 2011 by Runway Creation Pvt Ltd, the owners of the formally known e-commerce brand Laurels, with a customer base of over 3 million customers in India and abroad and winners of various awards by Amazon India, Flipkart etc.

Our vision as a brand is to expand the current usual range of gifting to a trendier arena of fashion accessories, serving the very purpose of gifting right.
